

QUAY TRANSPORT LTD LTD

BEHAVIOUR BASED SAFETY TRAINING POLICY

Quay Transport Ltd promotes awareness of safety issues by all employees and to demonstrate such commitment the company has gained SQAS accreditation.

An integral part of SQAS is Behaviour Based Safety Training, (BBS), for operatives and other personnel.

The Company has appointed a competent trainer to carry out periodic reviews of employee performance and to train them in improving work skills.

Office staff will be trained and aware of the requirements of BBS as far as it concerns their work.

Sub-contractor hauliers, if employed, will be required to meet the BBS conditions.

The General Manager is responsible for the implementation of BBS.
