

HEALTH & SAFETY

GENERAL POLICY STATEMENT

Quay Transport Ltd regards the promotion of Health & Safety measures as a priority and objective for Management and Employees at all levels.

The company is committed to the safety of all operations, the health of the employees, the protection of the environment as well as the quality of all its operations and services.

Through constant attention to Health & Safety, Environment and Quality procedures, the company aims to meet customer requirements at all times.

It is therefore the management's policy to do all that is reasonable to prevent personal injury and damage to property and to protect everyone from foreseeable work hazards, including the public in so far as they come into contact with the company, its operations, vehicles and buildings.

In particular the Company has a responsibility:

- to provide and maintain safe & healthy working conditions, taking into account any statutory or environmental requirements;
- to provide training and instruction to enable employees to perform their work safely and efficiently;
- to make available all necessary safety devices and protective equipment and to supervise their use;
- to maintain a constant and continuing interest in health and safety matters applicable to the company's activities, in particular by consulting and involving employees or their representatives wherever possible.

All Employees have a duty to co-operate fully in the implementation of this policy:

- by working safely and efficiently;
- by using the protective equipment provided and by meeting statutory obligations;
- by reporting incidents that have led to or may lead to injury to people or the environment or damage to property, plant or equipment;
- by adhering to the Company's procedures for securing a safe workplace;
- by assisting in the investigation of accidents or incidents with the objective of introducing new measures to prevent a recurrence.

A regular Management Review Committee meeting, composed of Employer and Employee representatives, will consider and report upon Health and Safety, Environment and Quality relevant issues.
